

'Rolled Gold'

Fifty Years of Yowani Bowls

A Potted History

1969 – 2019

This is just a potted version of our history, regrettably not picking up all of the many facets of the Club, but the attempt has been made and any errors or omissions are ours.

A Celebration of 50 Years of Yowani Bowls

Foreword

As 2019 President, it is my pleasure, and my honour, to recognise the 50th anniversary of bowls at Yowani Country Club.

Canberra is a young city, and there are not many sporting clubs that can look back on 50 years of continuous contribution to the sporting life of our national capital.

When committed individuals in the 1950s and 60s set out to establish sporting venues in what was then really a country town, they had no idea of the contribution they would make to the cultural life of a city of about 400,000 people 50 years later on.

Our 50th anniversary is important because it is quite certainly the last one where some current members were able to remember back to, and help us document, the really important contribution those initial members made.

Yowani Country Club is now an established part of the sporting infrastructure in Canberra and on behalf of the current members, I am proud to recognise the efforts of those who, over the past 50 years, have made Yowani Bowls a reality and an enduring sporting entity.

Peter Grills
President, Yowani Bowls

Background History

‘Yowani’ is an aboriginal word meaning northern place and Yowani Country Club is situated on the northern gateway to Canberra at the junction of the Barton Highway and the Federal Highway.

The Club was formed in 1954, initially as a golf club only. This was a time when Canberra had a population in the 30,000s, and its only two golf courses were Royal Canberra and Federal, both located on the south side. A group of golfing enthusiasts wanted a north side course and approached the (then) National Capital Development Commission.

They were required to demonstrate their support by getting 400 persons to each pay £1 to back their application. This they subsequently achieved, and they were granted a paddock on the corner of what is now the Barton Highway and Northbourne Avenue. There, with a lot of voluntary help, they constructed a small golf course with sand greens and a clubhouse comprised basically of ex-army huts. They took on the name Yowani Golf Club using the local word for northern place.

In 1969 the club was transformed into a Country Club with the opening of three first class bowls greens and a modern clubhouse. The new clubhouse opened in early 1969 and the bowls greens on 26 October 1969. In those days the Canberra Times ran a weekly column ‘Bowls by Bill Dunbar’ and reported that ‘Yowani's new bowls greens were of vivid colour and perfect flatness.’

Future plans included a swimming pool and short stay accommodation. However, it was not until 1986 that the Club’s plans for providing short stay accommodation were realised with the opening, on 11 April 1986, of 12 self-contained modern motel style units – which have since been expanded to 24 units.

The first Bowls President at Yowani was Graham Nicholls, who had worked on planning for Yowani Bowls from 1967 to 1969 when bowls activities commenced. As there was then no ACT Bowls Association, Yowani Bowls became affiliated to the Royal NSW Bowls Association.

In the fifty years since it was first introduced at Yowani, bowls has continued to be an important element of the sporting offerings at the Yowani Country Club and has continued to contribute to the development of the sport in the ACT.

Winners, Men's Pennants Division 8 - 1969/70

**From left: Chas Beswick, Alan Johnson, Lloyd Field,
Merv Wallace, George Hall, Grahame Nicholls (President),
Ted Bull, Dave Gilmore, Wally Kam, Doug Hurst**

The early years

Yowani Bowls quickly established itself with 92 members by 1970 and a win in the Number 8 Men's Pennant Competition in its first full year of play.

The first President's Day was held on 1 November 1970 and the first Pennant flag formerly unfurled.

President's Days were much more formal then than now, and the Central Coast District Bowls Association and the Royal NSW Bowls Association sent representatives who presented official visit banners and merit badges to President John Cantlon and to Lloyd Field for their work in making Yowani Bowls a success.

The name Lloyd Field appears often in early records – as a foundation committee member, Club Secretary, coach and leading player.

When Yowani started (and indeed until quite recently) it was a requirement of Bowls Australia that there be two separate Bowls Committees – a Men's Committee and a Women's Committee, and that they operate quite separately. The 1971 Women's Committee also reported that having started Pennants in 1970 they did very well in their second year.

Bowls was very strong across Canberra in the 1970s, and in 1971 Yowani men entered a team in the Division 5 Pennant, but there were so many teams entered in that Division that there were two competitions - 5A and 5B - with the respective winners playing off for the Pennant. Yowani won 5A and went on to win the Pennant. The next year Yowani was promoted to Division 4 and was again successful, going on to be runners-up in the Central South Coast District Zone play-offs.

A prominent feature of Sports Days at Yowani in the 1970s, that is no longer prevalent today, was the combination of golf and bowls events.

For example, in this period there are Canberra Times reports of the Canberra Building Supply Merchants Association and the Liquor Trades Association holding combined golf and bowls days at Yowani.

Another sense of déjà vu is in reading a Grounds and Greens report for April 1971 – ‘our new greens are still bedding in and while they are slower than other greens, they are just as true. The Greenkeeper is just as aware of the situation as members are, and is doing his best – so members are asked to give him a go.’

Sadly, the new greens never really did have a chance to bed in as in 1973 fungus totally infected Greens 1 and 2, and they had to be totally dug out and replaced. In the view of the Club management of the time, obviously the Bowls Club could not function with only one green, so Green 3 was taken over by the golf course and used as a nursery for new grass to be used for the golf course greens. Queanbeyan RSL very generously stepped in and allowed Yowani to use their greens to finish club championship events that had already commenced.

Nevertheless, the temporary loss of greens led to a loss of members to other clubs, and when the three new greens were reopened in September 1973, a fresh membership drive was needed. This was successful and numbers continued to grow throughout the 70s and 80s, reaching over 200 in 1991. The early 90s were particularly wet years and to cope with the heavy usage, special mats were purchased to protect the ends during wet weather.

Fun Facts 1970s

Flared trousers were the fashion

Most Popular TV Show was ‘Gilligan’s Island’

*‘I Honestly Love You’ made Olivia Newton John
a household name*

Tall tales but true from over the ensuing years

The 1980s heralded some innovative thinking on the part of Yowani Bowls. In 1980 Yowani launched the National Capital Open Mixed Pairs, which was to run at least 14 years. Blessed with the support of a range of major sponsors over the years – Canberra Permanent Building Society, Carlton United Breweries, Royal Life Insurance etcetera. This ran over the October long weekend. It offered big prize money and attracted teams from many clubs, so much so that it was oversubscribed in most years. In its later years the tournament suffered from other clubs holding major tournaments on the same weekend and it was finally discontinued.

In social bowls, Yowani experimented with social singles – played for the full day on Saturday. Entrants were divided into groups of three, each playing two games and marking one. The winner was the player with the highest aggregate score.

There were also some innovative approaches to prizes. One interesting one approved by the Women's Committee was the purchase of four pairs of average size and four pairs of large size 'Kolotex Mini Beige' pantyhose to be used as prizes on social days.

Tuesday was 'Poultry Pairs' day with the winners each receiving a frozen chook; while on Sunday there were 'Turkey Triples'. Members who played Saturday and Sunday were given a free ticket in the Club's turkey raffle.

Then there was the lady bowler who was invited to play in a consistency tournament and responded that she did not play cards!

The 1980s were a time of high and competitive membership numbers for Yowani – 159 members in 1984, with 103 men nominating for 72 pennant places to enter five teams in various divisions. As we do now, in the 70s and 80s we had a playing Greenkeeper, with Ted Raby winning the Men's Major Singles four times between 1970 and 1980.

In the late 80s and early 90s it seems our women bowlers were very creative and artistic. Unfortunately, (perhaps due to discretion) the performers were not named, but at the 1985 Bowls Presentation Dinner they provided a group of dancing singers to entertain the members.

More forthcoming were the 1990s women who conducted a fashion parade on 9 October 1990, featuring eight models: M. McDonnell, J. Shakallis, J. Beattie, M. Burton, G. Withell, D. Anscombe, M. Harber, K. Wilson. (Hmmm some of those names sound familiar! – and they are still bowling well too.)

Yowani Women's Christmas Party 2004

‘Ladies of the Night’

We sometimes saw the other side of key members as well – our former Women's President, Grace Barnes, is remembered as a strict disciplinarian and ‘tough love’ coach and umpire – but when our ladies

won the Division 4 Pennant in 1999-2000, Grace was waiting for them back at the Club with champagne in hand.

Most members will be aware that we have a library of donated books in the Bowls kitchen cupboard. This was started informally many years ago by the women bowlers, and was originally held by individual members who brought the books in for swapping on bowls days and then took them home again. When a bowls shed was erected over near the Green Keeper's shed, the books were then stored there – more convenient, but still a nuisance carting them back and forth. Then a kitchen cupboard became available and thankfully it was moved there – because very shortly after the bowls shed was demolished by a wind storm, which deposited the shed's contents onto Green 1 and into the car park, fortunately without the many dozens of books as well!

Winners, Women's Pennants Division 4 – 1999

Back (L): P. Monaghan, L. Searle, D. Smith, B. Moore, D. Ellem
Front (L): M. Ball, M. Bailey, C. Brookes

Fun Facts 1980s

Rubik's Cube was the most popular toy

1989 - Canberra Raiders won the NSWRL premiership

The population of Australia was 16.5 million

Doran Winners 1991

Men's and Women's Bowls Committees

As mentioned previously, for many years it was a requirement for Yowani to have separate Men's and Women's Bowls Clubs, which was achieved by having separate committees. However, in many ways Yowani has often been at the forefront of integrating bowls between the genders – especially now with a fully integrated single club and single committee management. But, in times past it was not always the case – in good, bad and humorous ways.

For example, in 1993 Saturday was a men's social competition day, but women were allowed to play (separately of course) if there were spare rinks available.

In August Graham Downey reported in The Canberra Times that the men had objected to the fact that the women were turning up to bowls on Saturdays wearing casual clothes. They were told that Saturday was white's day and if they wanted to play on that day, they had to respect the men and wear white. If they wanted to wear mufti, they could do so during the week on their own bowling days!

Not that the Women's Bowls Committee wasn't concerned about decorum and proper attire – 'Yowani News' for March 1991 had a reminder from the Women's President that when wearing jewellery 'chains and earrings other than plain gold or silver studs are not allowable, and in particular pearl or fancy gold or silver earrings will not be allowed.'

In 1998 men and women agreed to combine to have a joint Sunday program. The Women's President, Grace Barnes, proposed that it be called a 'chicken run' with first prize a chicken and second prize eggs!

On a more serious note, the Yowani Women's Bowls Committee operated in a much more independent financial way than did the men – particularly in the early days. They ran morning teas, lunches, dinners, even wakes and bridal showers, using their own crockery and

raising funds for the Club. They also ran a trading table at many events, selling cakes and handcrafts. The money raised was either donated to the Club, e.g. in 1990-91 for greens restoration, to charities such as a flood relief appeal; to entertain visiting bowls clubs and to recognise significant birthdays for members. They did a great job and on behalf of the Presidents of the day, both men and women, we reflect their gratitude for a job well done!

In terms of bowling competition there has always been a very good collaborative spirit as is reflected, for example, in the very successful mixed pairs open tournament referred to previously. Although it was worded somewhat quaintly in the Club Journal, in August 1972, that 'Ron Smith, Dick Phillips and **their wives** won the District Mixed Fours Competition' (obviously a male writer).

Husband and wife mixed pairs teams were very popular in the 90s with entries for the 1994 championship including the Murcutt, Dalton, Wilde, Stubbs, Hodge and Harber family teams.

We take this integration and harmony for granted at Yowani, but as recently as this year, when our Travelling Bowlers went to St Georges Basin, they liaised with their separate Men's and Women's Clubs and made special arrangements to play mixed bowls with us, as they normally have only separate social competitions.

Fun Facts 1990s

*Furby Babies and Pokemon were
the most popular toys*

1997 - Might and Power won the Melbourne Cup

*The Macarena was the most popular
dance move*

The leading lights of Yowani Bowls

There is no doubt that the doyen of Yowani Bowls is

Ron Tuckerman. When he retired from a long and stellar Rugby Union playing career that included international representative honours, Ron maintained an active refereeing and coaching role in Rugby, but he still found time to join Yowani – initially to play golf. He quickly gravitated to bowls and by 1971 he was on the Bowls Committee. He served as President from 1974 to 1977 and in 1977 he won his first Yowani Bowls Championship (the Men's Triples).

However, it is his career as a bowls administrator beyond Yowani that highlights Ron's amazing contribution to the game of bowls in Australia. From 1978 to 1982 he was on the Committee of FEDBA (the predecessor of Bowls ACT). From 1986 to 1988 he was President of Bowls ACT and in 1989 he managed the Australian Bowls Team to the Pacific Games in Fiji.

He was Vice President of Bowls Australia from 1990 to 1992, and in 1992 he became the first person to be *elected* as President of Bowls Australia (prior to that the role was rotated between state organisations).

In 1993 he coached an Australian under 25s team touring Malaysia and Hong Kong, and in 1994 he coached the Australian Bowls Team to the Commonwealth Games in Canada.

Along the way he was on the Board of Yowani Country Club, and he is a life member of both Yowani Country Club and Bowls ACT.

In 2008 he received a Chief Minister's Medal – apparently for surviving more than 50 winters in Canberra. In 2010 he was inducted into the ACT Sports Hall of Fame.

Still an active bowler in 2019, he was a member of this year's Yowani Men's Pennant Team that won the Division 5 Pennant; in the process playing his 481st pennant game – which we believe may be a record. He is our only remaining inaugural member.

Ron Tuckerman

Although Ron Tuckerman does stand out, there are many other members who have made sterling contributions to bowls at Yowani. We cannot name everyone, and if you look at the lists of championship winners, both for Yowani and for Yowani players in ACT Championships, you will see many names of past and present bowlers appearing time and time again.

While we do not want to offend anyone, who was also a club stalwart and does not get a mention, there are a few who, for various reasons, we will include to highlight the range of contributions:

Dot Shain, who served as Secretary to the Women's Bowls Committee for 15 consecutive years and for two years as Women's President, and is a Yowani Bowls Life Member.

Fred Mack, who in 1985 created and donated the visiting badges display that still has pride of place on our wall.

Arthur Ellem, who served seven years on the Men's Committee, including five as President, but who is even more notable for having initiated the OBEs (Over Bloody Eighties) trophy in 2008, including making the actual trophy and donating it. He still maintains our player pennant records.

Yvonne and Cliff Mann, who were stalwarts of the Club, as both players and administrators, to the extent that in 1991 they were both made Life Members of Yowani – the only couple to be given that honour.

Margaret Harber, June Shakallis and Val Dalton were among the many outstanding achievers of Yowani Women's Bowls in the 90s, 2000s and beyond. They won many Club and ACT Championships, both individually and combining as members of the same team. All three are still bowling regularly and passing on their knowledge and encouragement to newer bowlers. Margaret was also on the Committee of Bowls ACT for eight years and Vice President for a further six.

Bob Campbell, who won his first club championship 24 years ago, in 1995, and completed his full set of major title wins in 2018, winning the Men's Major Singles. Along the way he changed from right-hand bowling to left-hand bowling, and then back to right-hand bowling using a bowling arm.

Our prodigal son **Mac McLean**, who started his career at Yowani as a junior and has returned to the club this year. In 2009, at age 15, he won the Australian Junior Pairs title, then in the next year he won the

ACT Junior Boys Singles, the Boys Pairs, and the Mixed Pairs, and also skipped the Yowani Men's Fours Team that won the ACT State Fours. In 2014 he reached the quarter finals in the Scottish International Bowls Championship, defeating bowlers ranked 9th and 5th in the world along the way. He is currently ranked Number 20 in Australia.

As indicated above, there are many, many more that deserve a mention but these few examples highlight the contribution that Yowani Bowls members have made to bowls in the ACT.

Arthur Ellem with his impressive OBE's trophy

Memories from

I commenced playing bowls in 2003.

I decided to join my wife in this pastime, bowing to a little pressure.

Margaret had been playing for over 20 years before I joined. I already knew many bowls' members through my wife's involvement.

During the late 90s and early 2000s the Bowling Club sunk to an extremely low position. Its reputation was in tatters throughout the district. It has been a long road back but I am confident that it will thrive and survive.

The turnaround came in about 2009 with the installation of the lights on all three greens and the renovation of Green 3 to restore it to playing condition. The drive for new members titled 'Get-On-The-Green' was very successful.

Today's Bowling Club is the best and happiest that I have seen it in my time.

Without a doubt the highlight of my time at the club was playing lead in our Number 1 Pennant Team during our time in that division.

When I joined the club, our uniform was all white or creams.

For me bowls at Yowani has provided many happy memories and I have made some lifelong friends. It has given me some much-needed exercise and a real interest to get me out of the house.

Memories from

I started playing bowls in 2001.

My sister Marj Lowes would not stop nagging me and I eventually gave in. Marj arranged coaching with Tom Collins who was a very good coach. She would come to every lesson and watch and encourage me. Sadly, she only got to watch me play two games before she got very ill and died later that year. My brother Joe took over and helped me to improve, but I learnt some bad habits. I also had other brothers and sisters playing so it was a good place to catch up with them.

Membership has dropped as many retirees are now looking after their grandchildren and don't have the time to play bowls. There are also less Travelling Bowler's trips around Australia which were always great fun. The greens were not so good but are improving over time. It is more friendly and relaxed now. The meals in the restaurant are very good and provide a place to relax with friends.

I really enjoy playing in carnivals at Yowani as well as representing Yowani in competitions and meeting people from other clubs. It was great when we finally changed to coloured uniforms and got to wear slacks.

When I started playing the uniform was white and very see-through and the change to colour uniforms and being able to wear slacks was one of the reasons I joined.

I have been lucky to play in the Australian Open and Indoor Championships and I have travelled all around Australia with ACT teams. I came third in the skips ladder in 2018. A highlight was playing in the Australian Masters with my brother Joe. I have met many new people and had fun travelling with my team mates.

A great memory was watching my granddaughter Jessica learning to play bowls. At the time she was a dancer and having trouble with her follow through so Margaret Hodge and Jess were walking around the green doing ballet movements. It was funny to watch but it worked.

Another special time was when we won the Doran bowls, we went out to dinner to celebrate. When we walked into the restaurant which was full of people, our coach Margaret Hodge played Tina Turner singing 'Simply The Best'; I will never forget that.

My brother Joe keeps telling me right up to this day, 'It has been 99 years since short bowls have won a game.' He also told someone to 'visit Jenny Craig and put some weight on.'

‘No Swimming Allowed’ - No. 2 Green – 2 December 2010

Memories from

I joined Yowani Country Club Women's Bowls in 1997.

After quite a few Sunday mornings of roll ups and coaching sessions from our two very dedicated coaches, Jock McDonald and Eriks Glaznieks, I was ready to hit the greens and I had my first game of bowls on 14th July 1997. How nervous was I. However, I was given much encouragement and managed to not embarrass myself too much and therein was the start of my love affair with bowls. We were a large club and on Wednesdays, which was Ladies Day, we usually had three full greens with everyone in WHITE uniform complete with hats!!!

Christmas was a special time and we worked hard to arrange a great day for our members. We were lucky to have two members who provided wonderful music for us. Beth and Charles Collins would arrive with their portable electric organ to play carols and we would have a lovely singalong followed by a short skit performed by some of our artistic members which one year was 'The Nun's Chorus' complete with a Whoopie Goldberg conductor (aka Fay Greenwood). It was such a hit, other clubs asked for it to be performed for their entertainment. YOWANI was the CLUB to belong to.

During Pennant season it was usual for the host club to provide sandwiches for the visiting players, so it became a way to get to know players from other clubs and make friends, some of whom are friends to this day long after their pennant days are over. I was fortunate to be in the Grade 4 team which won the flag in the 1999/2000 season and again in the 2000/2001 season.

We also had a very active Travelling Bowlers Club and enjoyed some great trips away, Tasmania, New Zealand, Norfolk Island as well as many trips both near and far. All good fun and great company!

The ladies also ran a trading table at most events with all work by members, beautiful Christmas table items by Val Dalton were always snapped up very quickly and cakes etc were very popular. The money made went into the ladies account out of which we purchased things for general use. As a matter of interest most of the sun shades on the greens were bought from the Ladies Club fund with the remainder of the money coming from Yowani Country Club.

I am so happy I made the decision back in 1997 to give up 10 pin bowling and become a bit more sedate and take up lawn bowls at Yowani.

Some of us have been friends since 1997 and have shared sad times, and lots of very happy times, and we still get together once a month to continue our friendship as the years roll by. Long may it continue.

Winners, Men's Pennants Division 5 - 2019

Winners, Women's Pennants Division 4 - 1992

Fifty plus years of volunteers

Volunteers have made Yowani Bowls what it is today.

Many, many, volunteers, over many, many years.
From the initial planning through to Club Presidents,
Secretaries and Committees, over a range of roles covering
Treasurers, Women's and Men's Co-ordinators,
Match Committees, Publicity and Welfare officers,
Coaches, Umpires, Selectors, Grounds & Greens,
Team and Pennant Managers, Social Committees,
Travelling Bowlers, Website and Facebook.

Keeping a Club running on a daily basis
cannot be done without you!

Thank you, every single person who has volunteered in some
capacity, throughout the history of Yowani Bowls.
